“ Praying for the loss of these Innocent souls these babies whose lives were ruined by their mother, lord Jesus it's sad you loan people children and they're killed by their parents. My heart breaks for the children not the mother. I hope you asked for forgiveness for what you did. Why give birth only for you Too Kill them so sad and very disgusting we're living in so very sad times

Very saddened to hear of this great loss. These individuals have touched the lives of many people! What could have been their contributions to our society? Only shod has the answer. Every person is fearfully and wonderfully made! What can we do? I think you know. Say something! Do something! We all have to give an account to God. Praying for perfect peace for the families. We have the hope of the resurrection.
