

Mr. Donald Hess

June 19, 1951 - November 7, 2018

Donald was born in Norfolk Virginia on June 19, 1951. He lived in Virginia and San Diego, California during his childhood.

In California he was a lifeguard for the later part of his teenage years. Don as he was affectionately called, was married to Linda Hess for 32 years. They had four children, three sons, (Billy, Timmy, Donnie) and one daughter (Margaret). Linda passed away in 2002 and later he married Debra Fidura. Debra had two sons, Chris and Jake. Don had twelve grandchildren and many great grandchildren.

Don loved his family and no one was a stranger to him. He would help anyone that needed it as long as they wanted to help themselves. He was a man who stood for what he believed in and said what he felt. He loved having cookouts and enjoyed having family and friends over. Cooking on the grill was one of his most favorite things to do. The more people the better.

He was a truck driver for over 40 years and loved doing it, especially talking on his C.B. radio. He was also known as the Mayor of Buckroe. Throughout those years he drove across country as well as some local driving. But his

love was driving across country. He loved fishing, watching football and Nascar. His team was Dallas Cowboys & his favorite driver was Jimmy Johnson.

He will be missed and always remembered.

Please keep the Hess family in your thoughts and prayers.

An entombment service will be conducted Saturday, November 17, 2018 at 12:00 pm at Meadowbrook Memorial & Cremation Gardens
4569 Shoulders Hill Road
Suffolk, Virginia 23435
