“ I had the pleasure of working with Ermani a few months in kindergarten. Ermani was kind hearted and hard working. She was a model student. Ermani was the first student to be selected as Student of the Month in her class. She was so proud of her brother. Whenever she would pass by him in the hall or outside she would always point him out with excitement. Ermani’s sweet smile and hugs will never be forgotten! My condolences to her family. □
