“*Mrs. Flossie Mae Brown was not only our next door neighbor, she was our friend. She, my wife and mother-in-law often hung out enjoying food shopping and doing things ladies like to do. I was privilege to often receive words of encouragement. Her words often ended with "oh Glory!". We celebrate her life, mourn her transition and miss her presence...but we know that there is no more suffering for our neighbor and friend. Kindly except our words of condolence. May God bless you all! Roosevelt & Denise Adams*
