

Mr. Keith Harris

January 12, 1969 - December 19, 2025

It is with a saddened heart that we announce the Earthly transition of Mr. Keith Harris yet we cling to the

promise found in 2 Corinthians 5:1 "For we know that if our earthly [a]house, this tent, is destroyed, we have a building from God, a house not made with hands, eternal in the heavens."

Service information is fourthcoming. Please keep the Harris family in your thoughts and prayers.

“ I just found out. Keith and I were in the bay point assisted living / rehab facility together. We hung out every chance we got and tried to keep touch after I left the facility. That place had some tight rains on us with some really terrible food. So keith and I i decided we were going to make a jailbreak. One flew over the cuckoo's nest style. We were both in wheelchairs and keith informed me of a thing called handy ride through the hampton transportation services. We hopped on that thing one afternoon and headed straight for the casino in portsmouth. We ate a big fat, juicy steak with all the fixens. Leading up to our first casino visit. I was teaching him the ins and outs of black jack. Well, wouldn't you know it me being the experienced Blackjack, hustler lost \$200 and my young protege, Keith, won\$200. Go figure. We had to sneak back in to that place late at night. Keith made living in that. assisted living place experience tolerable and I am a better man for being there with him. I could not get in touch with him on his cellphone. So I called baypoint to get in touch with him and they told me of his passing. My condolences to the family. Love, your partner in crime.
