*Sending prayers of comfort and peace to Keith's family and friends. He was phenomenal person. He was quiet and very knowledgeable on many subjects. He was a huge blessing to me, my daughter and my sister. He would take us anywhere that we needed to go. I'm just finding about this today. I am heartbroken but I realize that he is in a better place. No more worrying about the cares of this world. He loved his family and friends. He would often tell me about family reunions and Class reunions. He was loyal and dependable. He was truly one of a kind.*
