

## Mr. Paul E. Clark

September 27, 1994 - January 8, 2025

Paul Edwin Clark was born September 27, 1994 to the late Carolyn Joyce Butts Clark and Ralph Edward Clark. He was the 11th of 13 children. During his early years, Paul was educated in the Jefferson County, Ohio school system and graduated from Norton High School in Norton, Ohio. He and his siblings experienced loss early in life with the passing of their mother. As a result he spent a significant part of his adolescence in the foster care system. Through foster care he met many friends and families who were instrumental in helping him navigate life's obstacles including the passing of one of his brothers, Myron Clark. He was particularly close to and remained in contact with the Kneel family, the Colecchi family, the Brogen family and the Murphy family.

Fueled by his love for the great outdoors, Paul spent a lot of time traveling; he especially enjoyed extended stays at national parks throughout the United States. He often spent months at a time traveling for work and new explorative opportunities where he engaged in hiking, mountain climbing, rafting, and various other adventurous activities. He was known for his exceptional customer service and his charming interpersonal skills. Paul was also athletic and in his spare time enjoyed sports such as volleyball, basketball and skiing. In his final months, he settled in North Charleston, South Carolina working as a host at Top Golf. Due to his friendliness, quick wit, quirkiness, and goofy

personality, much of the staff there quickly became his extended “work” family and came to love him, as so many others did.

Paul was preceded in death by his beloved mother, Carolyn Clark, and one brother, Myron Lee Clark. He leaves to cherish his memory his wife, Rosanny Nicasio of South Carolina; father Ralph Clark; 11 siblings - Terrance Clark (Lucia), Ralph Clark Jr., Jamal Clark, Kevin Clark, Jacqueline “Jackie” Clark, LaKeshia Clark, Clarence Clark, and Timothy Clark, all of Nevada; Aaron Clark of Ohio, Katrina Clark of South Carolina; Candace Clark of Georgia; a host of nieces, nephews, aunts, uncles, and cousins. Paul will be greatly missed by his family, friends, classmates, and peers.

“ Paul, it has been a year since you left.  
Just today I was checking some old messages, and I found one that is very close to my heart: “Drea, go conquer the world today! Anyone who gets to know you doesn’t realize how lucky they are until it eventually hits them.”  
Reading your words brings peace and comfort to my heart.  
Thank you for everything, little Paul

YA

“ The fact that people are still thinking about you this far along warms my heart. I miss you. I wish we could still have one of our late night phone calls. I wish you would've taken that flight we bought you to come to Colorado to be with us. I know you were the type of man who couldn't leave unfinished business but I know you would've loved being here with me Morgan and Bonnie. I wish you knew how much we wanted here I think you did but God you were the best person that I needed in my life. But I know you're still out there being you and connecting with every person in every walk of life and giving them love. You sucked at snowboarding but gosh did you try. I love you forever 🧡

“ Paul, beautiful memories come to my mind when I remember you. Those emails like the very old days to send letters. You were part of my life. I loved you deeply. You were so loved, sometimes I wonder why God took you to be with Him that soon. You were starting a new stage in your life and I couldn't be more happy that finally you'll start your own family as you always wished for. When my understanding can't be resolved, I trust my Lord because His wisdom is supernatural. I'm happy now that you're with your brother and your mom. You missed them a lot. Sadly, you'll be greatly missed now, your 4 nephews Myron, Azalea... I'm sure they'll remember you as a fun and caring uncle and I will remember you as a fun and caring boyfriend who would go out at -15°C with shorts and sandals to write on the back window of a car, Andrea, I love you.

“ I was deeply saddened to hear about the passing of your brother Paul. I used to baby sit some of the older siblings so your mom Carolyn could do her shopping. But I still remember all of you walking into church looking so much alike. It warmed my heart. Please know that I'm offering my support, a listening ear and prayers for your family. Aunt Helen Keyes
