“ We are truly sorry for your loss. The loss of a child is heartbreaking. Our heart aches for you and your family. *Tiqan* was a wonderful child and he will be terribly missed. Though nothing can bring back the hour of splendor in the grass, of glory in the flower, we will grieve not, rather find strength in what remains behind. My words are not adequate to express the sorrow I feel for your loss. Please know that my family has you and your family in our hearts and prayers!
